## **Online National Quiz Competition on Contemporary Issues Relating to Women**

### **About ALC**

Amritsar Law College, Amritsar (ALC) offers excellent legal education. It is one of the leading colleges of law in India, having B.A.LL.B (FYIC) and LL.B (TYC) courses that help the students excel in the field of law. The mission of ALC is to provide student-centric education and foster personal and intellectual growth to prepare students for a productive career, meaningful lives and responsible citizenship in a global society. The college provides quality education, that helps its students to work self-independent. The highly skilled teaching faculty uses a unique pedagogy to teach its students.

### **Objective of Quiz**

Women are executing multilateral roles in society, but the community does not recognize and appreciate their roles. The reason behind this is that women have been facing various inequalities and challenges in the society for ages. Although, the law has given them multiple rights and protections, they are still subject to various types of discrimination, humiliation, oppression and harassment. Hence, the objective of the quiz competition is to spread the awareness about different laws pertaining to women.
